The Mepro MPO-DS is an open reflex red dot sight designed for subcompact or slimline pistols. This cost-effective optic punches far above its cost. It features a 3.5 MOA red dot reticle, RMSc/JPoint® footprint, automatic brightness control, CR2032 battery lasting 3 years plus while being water, shock, and fog proof. The Mepro MPO-DS allows you to upgrade your current sighting system with money left over for more ammo. The Meprolight® name means we only produce products we, ourselves use and carry in defense of ourselves and our families. Choose the best, choose Meprolight®.
